## TOUCHING A BILLION LIVES

Apollo Hospitals is one of Asia's largest healthcare groups. Starting its journey as a 150-bedded hospital in 1983 at Chennai, it currently has presence in India, Asia and Africa. True to its founding principles, Apollo Hospitals has made quality, affordable healthcare

accessible to all with its widespread presence and services through different formats including hospitals, surgery centres, birthing centres, clinics, diagnostics and pharmacies.

## WORLD-CLASS MEDICAL FACILITIES. PLEASANT AMBIENCE. OUTSTANDING SERVICE.

As a specialty hospital, Apollo Spectra Hospitals gives you the advantage of expert and quality healthcare with all the benefits of a large hospital but in a friendlier, more accessible facility. This is what makes us unique.

With 10 centres across 7 large cities like Bengaluru, Chennai, Jaipur, Kanpur, Mumbai, New Delhi and Pune, over 50,000 successful surgeries with excellent clinical outcomes, and over 700 leading doctors,

Apollo Spectra Hospitals continues to set new standards in healthcare services.

Advanced technologies, world-class infrastructure and the best of doctors all come together to deliver personalised care enabling faster recovery with near-zero infection risk. Our easy admission and discharge ensures a hassle-free experience for our patients. This is why patients across the country place their trust in us.

PROVIDING PERSONALISED  
HEALTHCARE TO ALL
